### PROFESSIONAL SUMMARY

---

WordPress Developer with 3+ years of experience in designing, developing, and maintaining responsive websites using WordPress, PHP, MySQL, HTML5, CSS3, and JavaScript. Skilled in theme and plugin customization, WooCommerce integration, performance optimization, and SEO-friendly web solutions. Proven ability to deliver scalable, secure, and high-performing websites aligned with business objectives.

---

### PROFESSIONAL EXPERIENCE

---

**Web Developer** **09/2025 to 12/2025**  
**Tectoro**

- Worked on WordPress multivendor eCommerce websites, ensuring cross-browser compatibility, developing responsive UIs with HTML, CSS, and JavaScript, and building custom vendor/admin dashboards with PHP and MySQL, including secure payment gateway integration.

**Web Developer** **11/2023 to 09/2025**  
**Masters Visa**

- Managed project execution and web strategy for the team, planning WordPress features and workflows using clear pseudo code for plugin and theme customizations.
- Developed and managed back-end services using PHP and MySQL, ensuring smooth database integration and efficient data flow within WordPress.
- Troubleshoot and optimized WordPress websites across multiple browsers to maintain performance, quality, and compatibility.
- Built responsive and interactive user interfaces using HTML, CSS, and JavaScript, aligned with custom WordPress themes.

**Web Developer** **11/2022 to 10/2023**  
**SunRise Enterprises**

- Managed the development and maintenance of client-side applications and created mobile-responsive user experiences with CSS Flexbox for cross-platform accessibility.
- Developed and implemented new software applications, designed website architecture, and enhanced usability to improve operational efficiency.
- Troubleshoot problems, diagnosed system faults, and minimized disruptions to online services through proactive issue resolution.

**Web Developer** **08/2022 to 10/2022**  
**Yaaron Media**

- SK properties which is one of my real-time project frameworks in yaaron media
- The project is about a real estate framework in which an admin and agent can upload properties that are also visible to users on the website.
- Implemented responsive design principles, making applications accessible across various devices and improving user accessibility.
- Produced all web applications and code within deadlines and to high-quality standards.

**Web Developer** **03/2022 to 07/2022**  
**Skill Vertex**

- Participated in pre-project analysis, technical assessments, and created responsive, user-friendly website interfaces using HTML, CSS, JavaScript, and jQuery.
- Developed secure login and authentication features, ensuring user data privacy, and created technical documentation to share knowledge with the team.

**Web Developer (Internship)** **2021**  
**Internshala**
